THE AI TRAP

Ten tools.
One delivers.

THE AI TRAP

8%

of teams say most of their 10+ tools deliver the returns expected

Source: ORO Labs, 2025

THE TRAP

It’s not a tool gap. It’s a model gap.

Nothing ties the stack together.

WHAT NXT DOES

One operating model makes what you own work together.

Add capability, not another tool.

THE VALUE YOU KEEP

More capability. Not another tool. No lock-in.

Message me **NxT** — a working conversation.
